Dear Keshav

Subject: Best Over Three Cambridge International A Levels Scholarship – India

Many congratulations on being the top male candidate to score the highest marks across three Cambridge International A Levels and be awarded this prestigious CIE Scholarship.

In recognition of your outstanding academic achievement during this round of examinations, CIE is delighted to award you the prize of £1,000. This can be paid to you either as a cheque (in sterling) or electronically transferred into any account which you nominate (as rupees).

Please ask your Centre to advise Amanda Cator (cator.a@cie.org.uk) how you would like this payment to be processed. If you wish to receive a cheque, we simply need the name of the payee. The cheque will be dispatched to your Centre. For an electronic transfer we need the name of the account holder, the account number, and the name, address and sort code of the bank in which the named account is held. A remittance will be sent to your Centre to confirm the transaction.

We look forward to hearing from you and once again, many congratulations.

Yours sincerely,

Ian Harris
Assistant Director - Marketing
